## Profile

Business Management major currently developing my skills in Web Development. After I obtain my AA degree from Bellevue College in 2023 I will continue to develop my skills even further. My goal is to become work level proficient in the industry I am passionate for.

## Experience

### **EQUIPMENT OPERATOR, DIRTFISH RALLY SCHOOL | 2020 - PRESENT**

Operates heavy machinery to smooth out the driving course in effort to minimize damage to class vehicles as well as provide a safe course for students.

### **GENERAL TECHNICIAN, PRECISION TUNE AUTO CARE | 2018 - 2022**

Provides customer with oil changes as well as general vehicle inspections that includes tire tread checks, brake inspections, fluid replenishment and belt checks.
